

STOCK OFFERING SCANT

Market Situation Inspires Confidence Among the Traders.

PRICES ARE EASILY RAISED

Actual Demand is Small and Confined Almost Entirely to Professional Element—Attitude of Waiting is Maintained—Bond Issues Increase.

(By Associated Press.)
NEW YORK, March 1.—Favorable inferences might be drawn from the confidence felt by holders of stocks from the scanty offerings to sell in the market today. It was this lightness of the supply which made it easy for the professional traders to bring up prices without being obliged to accept any great amount of stock. The actual demand was small and was confined almost wholly to this professional trading element.

The news bearing on security values did not seem to be considered of sufficient importance to prompt any large shifting of position in the market on the part of the more substantial inside interests. The attitude of waiting was maintained in their part. The prevailing opinion was in favor of a coming period of dullness and a narrow drift of prices, not long maintained in either direction. The annual report of the Pennsylvania Railroad had an important influence in sustaining confidence and in the firm undertone of the day's market. Not only past results recorded, but the plans outlined for prodigious further outlays for additions and improvement contributed to this effect.

The increasing number of bond issues sold to bankers is further testimony to the unimpaired determination of the great railroad corporations to proceed with the work of building up their systems. The extra dividend disbursed by the Lake Shore was taken to show the desire of the parent, New York Central, to enlist as much resources as possible from its subsidiary companies for carrying on its expensive improvement work. On the other hand, the reduced dividend of the Chicago, Rock Island & Pacific Railway Company dampened the hopes of the preferred stockholders of the Rock Island holding company from sharing in distributed profits.

Reports of January net earnings of railroads showed some striking discrepancies in the net return. Assertions of damage to the winter wheat crop came to hand, but were received with reserve.

The money market was undisturbed by the March requirements. Bonds were irregular. Total sales, par value, \$2,871,000. United States bonds were

unchanged on call.
Total sales for the day were 595,600 shares, including: Sugar 800; Tobacco, 200; Atlantic Coast Line, 300; Chesapeake & Ohio, 7,300; Louisville & Nashville, 2,700; Norfolk & Western, 1,000; Reading, 86,200; Southern Railway, 1,400; pad., 500; Union Pacific, 56,800; United States Steel, 142,300; Virginia Carolina Chemical, 3,900.

"IN A BAD WAY."

Many a Newport News Reader Will Feel Grateful for This Information.

When your back gives out; becomes lame, weak or aching; when urinary troubles set in; your kidneys are "in a bad way." Doan's Kidney Pills will cure you. Here is local evidence to prove it:

Mrs. M. H. Gault, 136 Twenty-sixth street, Newport News, Va., says: "I first used Doan's Kidney Pills about five years ago. I had suffered for nine years from kidney trouble and could get nothing that would help me. My back ached almost constantly and it required a great effort for me to stoop. Mornings I was hardly able to get out of bed and it was a task for me to dress. Doan's Kidney Pills cured me and I had no further trouble until two years ago. At that time I again took this remedy and it brought me relief. Now my back is strong and never pains me at all. Last winter I got a box of Doan's Kidney Pills at Klor's drug store for a member of my family and they proved just as effective in this case as in mine."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
